

# HelloTeam Releases App on Microsoft AppSource

*Microsoft Teams integration provides streamlined notifications of employee engagement and performance management activity*

BOSTON, MASSACHUSETTS, UNITED STATES, November 19, 2021 /EINPresswire.com/ -- [HelloTeam](#), the all-in-one performance management, employee engagement, and social workplace community platform, today announced the HelloTeam App for Microsoft Teams and its listing on the [Microsoft AppSource](#) marketplace. HelloTeam customers who are also communicating and collaborating with Microsoft Teams will now be able to quickly and easily include HelloTeam activity directly in their Microsoft Teams interactions.

HelloTeam is a unified people experience platform that improves employee retention with flexible performance reviews, goals, one-on-ones, peer recognition, rewards, and engagement surveys in one easy-to-use platform for every employee, wherever they work. The HelloTeam App for Microsoft Teams enables users to high-five teammates, as well as receive HelloTeam notifications for surveys, reviews, news, events and badges.

"Expanding our platform to include an App for Microsoft Teams provides a tremendous opportunity for HelloTeam and significant value to our customers," said Tanya Bakalov, CEO of HelloTeam. "With so many businesses challenged with retaining employees, simplified access to performance, engagement, and culture-driving experiences is more important than ever. We're committed to features and innovation that simplifies access to our platform by every employee, wherever they work."

Seamless integration is a key value driver for HelloTeam, enabling countless HR departments of any size with performance management, employee engagement, goal-setting, and social workplace connectivity. The HelloTeam App for Microsoft Teams is listed in Microsoft's AppSource online store and is free with a HelloTeam subscription.
