NGOs And Charitable Organizations Global Market
Report 2021: COVID-19 Impact And Recovery To 2030

According to the new market research report '[NGOs And Charitable Organizations Global Market Report 2021: COVID-19 Impact And Recovery](#)' published by The Business Research Company, the NGOs and charitable organizations market is expected to grow from \$279.81 billion in 2020 to \$285.5 billion in 2021 at a compound annual growth rate (CAGR) of 2%. The growth is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The market is expected to reach \$369.6 billion in 2025 at a CAGR of 7%.

The NGOs and charitable organizations market consists of sales of NGO and charitable services by entities (organizations, sole traders and partnerships) that are involved in grantmaking foundations or charitable trusts and establishments primarily engaged in raising funds for a wide range of social welfare activities, such as health, educational, scientific, and cultural activities.

Trends In The Global NGOs And Charitable Organizations Market

NGOs and charitable organizations are increasingly investing in customer relationship management (CRM) software to track donations and manage donor contact information. CRM software offers multiple functionalities such as email, phone, activity tracking, customer

communication and others in a single system without having to use multiple software tools. CRM software also provides efficient data management and secure storage of donor contact information using cloud and encryption technology. According to the Global NGO Technology Report, 45% of the surveyed NGOs use CRM software to track donations and manage donor communications. For instance, the Bill & Melinda Gates Foundation, a charitable foundation uses SpringCM for document management and Salesforce for customer relationship management.
