

# Enuit LLC completes additional functionality for system integration with SAP for LNG at Mitsui & Co., Ltd. in Tokyo

TOKYO, November 19, 2021 /EINPresswire.com/ -- [Enuit LLC](#) announced today that the [ENTRADE](#) integration with SAP at Mitsui & Co. Ltd. has been gone live supporting Mitsui's LNG business in Tokyo as of 29th October 2021.

Mitsui & Co. Ltd. which has a rich history, has 130 locations in 63 countries and is one of the leading Sogo Shosha engaging in domestic trading, import/export, and overseas trading of various products.

Enuit CTRM ETRM press release

In 2019, Mitsui has successfully implemented Entrade, since then, Entrade has been supporting Mitsui's global LNG trading business. In 2020, Mitsui began working with Enuit to develop an Accounting Function in Entrade for their Tokyo LNG Business.

The integration will allow Mitsui to have their journal entry information sent directly to their SAP system for final accounting.

Tony Teo, Managing Director of Enuit Singapore said, "It has been a great pleasure to work with Mitsui again. Given the difficulties that 2020 posed for global interactions and the way traditional implementations took place, the Mitsui & Co. Ltd. and Enuit teams have been extremely organised and committed to getting this project success and running smoothly".
