John Connearn - Taylor Artist

Walt Disney Records worked with Taylor Guitar's endorsed artist John Connearn to record his unique take on three songs, including brand new acoustic renditions of “When She Loved Me” (Toy Story 2), “Moving Right Along” and “Can You Picture That” (The Muppets Movie). These tracks will

be featured in the official Disney Guitar Playlist, available wherever music streams.

"Getting the opportunity to work with Disney is amazing, you know the strength of the song is guaranteed and it makes the creative process all the more enjoyable", says Taylor Guitars artist John Connearn. "My nostalgic connection to Disney meant that these songs all had a sentimental value and it made crafting the arrangements for them a real pleasure. Thank you, Taylor and Disney!"
