

Equator introduces New color in Chic Super-Slim Wine Refrigerator

Chill up to nine bottles of wine in the tightest of spaces around the home, including the kitchen, dining room, bedroom, den, and game room.

HOUSTON, TEXAS, UNITED STATES,
November 19, 2021 /

EINPresswire.com/ -- [Equator Advanced Appliances](#) announced its latest Black color in the compact and sleek innovation, the WR 009 Slim [Wine Cooler](#). Measuring 34 x 5.9 x 21 inches (HxWxD) and weighing 44 pounds, this compact [wine refrigerator](#) easily slides into the tightest of spots, including under counters or freestanding in underutilized spaces. In addition, consumers don't have to limit selections, as this unit can stock seven bottles horizontally and two vertically for a total of nine cool and convenient choices.

The eco-friendly compressor cooling system in the WR 009 Slim Wine Cooler consistently maintains temperatures with maximum efficiency to ward off premature aging, keeping costs low and not adding additional strain to the environment. Additionally, the internal blue LED lights use less energy and don't release excess heat like standard bulbs, which helps preserve the fine quality of the wine.

State-of-the-art LED display with touch controls allows for easy temperature selection, and the child lock feature prevents accidental tampering of the unit. Designed with a stainless steel, easy-to-grip handle, the door is reversible so that it can be customized based on preferences and space. Perfect for kitchens, dining rooms, game rooms, bedrooms, tiny homes, RVs, boats and other small spaces! Also for man caves and she dens!
