SAN DIEGO , CALIFORNIA , USA,
January 6, 2022 /EINPresswire.com/ --
The California US Navy Veterans Mesothelioma Advocate says, "We are national advocates of Navy Veterans who have developed mesothelioma and we want people like this to receive the best possible financial compensation results that might be in the millions of dollars. To get the compensation job done for a Navy Veteran with mesothelioma we have endorsed, and we recommend attorney Erik Karst of the law firm of Karst von Oiste. If a Navy Veteran with

mesothelioma in California or who was based in California would call Erik Karst at 800-714-0303- he is always more than happy to provide the Navy Veteran with a no obligation compensation analysis.

"In order to do the compensation analysis attorney Erik Karst of Karst of Karst von Oiste will need as much detail as possible about how, where and when the Navy Veteran with mesothelioma was exposed to asbestos. It is this information that becomes the basis for a mesothelioma compensation claim. In most instances this asbestos exposure probably took place on a navy ship, submarine or at a shipyard. If a Navy Veteran with mesothelioma in California or anywhere in the nation would call Erik Karst at 800-714-0303-he can typically assist

the Veteran with identifying the specifics of their asbestos exposure. One of Erik's first questions is typically what was your duty station on a ship or submarine?" www.karstvonoste.com/
