

New York Times Omits In Trump Time Book From Its November 21 Non-fiction Bestseller List

Despite large sales, The New York Times has omitted In Trump Time: A Journal of America's Plague Year from its November 21 non-fiction bestseller list.

WASHINGTON, UNITED STATES, November 21, 2021 /EINPresswire.com/ -- The [New York Times](#) has omitted [In Trump Time: A Journal of America's Plague Year](#) (All Seasons Press) from its November 21 non-fiction [bestseller list](#) published today. In the opinion of In Trump Time author Peter Navarro: "The omission of In Trump Time from the NYT bestseller list despite its massive sales is a clear demonstration of the Gray Lady's editorial policy to omit books from its bestseller list that run contrary to its partisan editorial posture."

According to statistics published by Bookscan, the definitive industry source used for book rankings, Navarro's In Trump Time should have been placed at least #3 on the New York Times list. All Seasons Press publisher Louise Burke voiced this opinion: "The New York Times has a long history of knocking conservative authors off their bestseller lists. Yet such an exclusion has significant knock-on effects as books that don't appear on the NYT list are often unable to develop momentum and reach a broader audience."

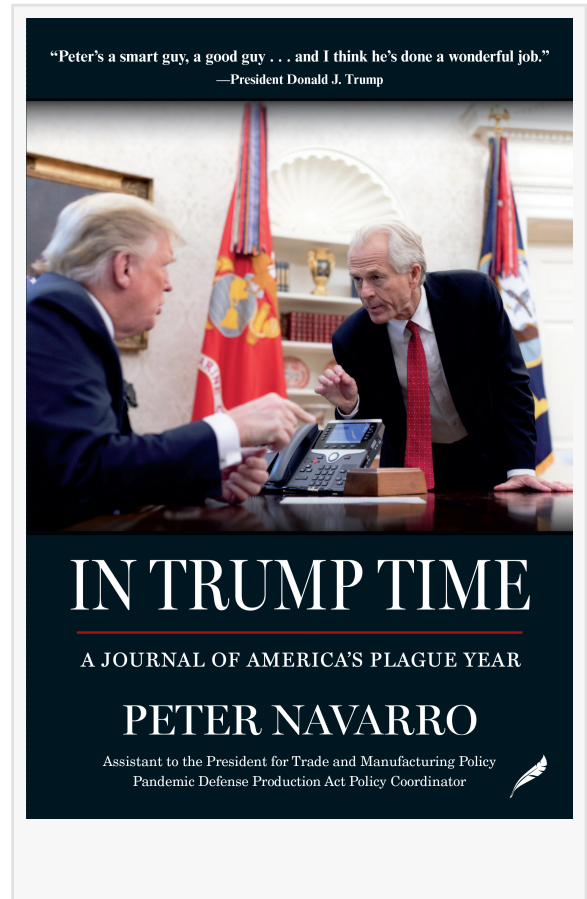

In Trump Time was listed as the #2 non-fiction book on the USA Today bestseller list for a similar period while In Trump Time ranked #9 overall on Amazon including both fiction and non-fiction books. In Trump Time also had roughly three times the sales of over half of the books on the NYT Top 15 list.
