

eDiscovery Today's 2022 State of the Industry Report Survey Sponsored by EDRM Announced

MINNEAPOLIS, MN, USA, November 22, 2021 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce [eDiscovery Today's 2022 State of the Industry Report Survey Sponsored by EDRM](#).

The second annual [eDiscovery Today 2022 State of the Industry Report Survey Sponsored by EDRM](#) consists of ten questions, plus one EDRM bonus sponsor question and should take 1-2

minutes to complete. The survey will be conducted for several weeks and will be concluded when there is a statistically significant number of responses.

“

I always end my blog posts by asking 'So, what do you think?' The 2022 State of the Industry Report Survey has become an important indicator of the experiences of eDiscovery industry professionals.”

Doug Austin, founder and editor of eDiscovery Today

The results will be published in the 2022 State of the Industry Report sometime in January for those taking the survey and subscribers to the eDiscovery Today blog. No email addresses or individual responses will be shared with or distributed to third parties.

“Writing at least one blog post every business day, Doug Austin has his finger on the pulse of our eDiscovery community,” said Mary Mack, CEO and chief legal

technologist at EDRM. “It will be interesting to see the differences from year to year given our unprecedented times.”

Topics included are:

- Remote Work From Home (WFH) vs. Going Back to In Office Work
- Legal Technology In-Person Conferences, This Year and Next Year
- Use of Predictive Coding Technologies and Approaches
- Discovery From Mobile Devices

- Discovery From Collaboration Apps
- Business Trends in eDiscovery for 2022
- Biggest eDiscovery Related Trends for 2022
- The eDiscovery Challenge That Not Enough People Are Talking About

"I always end my blog posts by asking the question 'So, what do you think?'" said Doug Austin, founder and editor of eDiscovery Today. "I always want to

know what our community and the readers of my blog think about the important topics that impact the eDiscovery industry today and the 2022 State of the Industry Report Survey has become an important indicator of the experiences of eDiscovery industry professionals."
