

ELMA365 has helped SB Sberbank of RJSC to automate business processes and electronic document management

How SB Sberbank of RJSC automated business processes and electronic document management using ELMA365 and improved employee performance

WILMINGTON, DELAWARE, Соединенные Штаты, November 22, 2021 /EINPresswire.com/ -- Automation is nothing new. Everyone is well aware of its benefits, and a company's growth driven by automation it's no surprise. However, the scale and speed of this growth can be surprising and inspiring.

[ELMA365](#) is happy to share the automation [success story](#) of their customer SB Sberbank of RJSC.

“

ELMA helps to save time that used to be wasted on waiting and error correction, eliminates manual operations, greatly reduces expenses connected with human factors, and improves the speed of processes”

Rashid Ushurbakiev

The Kazakhstan subsidiary of Russian Sberbank is a part of the international Sberbank Group. Its network includes 110 structural subdivisions; 17 of them are branch offices. The ELMA365 implementation project involved the headquarters in Almaty and the whole network.

With ELMA365, Sberbank set really ambitious goals: to go paperless, to optimize and automate business processes, and to improve employee performance.

“ELMA helps to save time that used to be wasted on waiting and error correction, eliminates manual

operations, greatly reduces expenses connected with human factors, and improves the speed of processes” - says Rashid Ushurbakiev, Bank Technology Manager.
