## About TEDxDelthorneWomen

At TEDxDelthorneWomen, TEDTalks and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized. These events are organized by passionate people volunteering that time to uncover new ideas and the latest research that spark conversations in their communities.

With our event theme, Revolutionize, we're about shining a light on the voices that are reimagining a new and just society through a revolutionary lens. Not just from a space of dismantling tired, old concepts and fighting oppressive views, but those who are implanting fresh seeds rooted in new imaginings, curiosity and right relationship.
