Motor Home Global Market Report 2021 - COVID-19
Impact And Recovery

According to the new market research report 'Motor Home Global Market Report 2021: COVID-19 Impact And Recovery' published by The Business Research Company, the motor home market is expected to grow from \$144.08 billion in 2020 to \$150.63 billion in 2021 at a compound annual growth rate (CAGR) of 4.5%. The growth is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The motor home market is expected to reach \$201.85 billion in 2025 at a CAGR of 8%.
