N FT MYERS, FL, UNITED STATES, November 23, 2021

/EINPresswire.com/ -- For twenty years [Santa](#) and his elves have been bringing joy, happiness, and surprise through live personalized phone calls to children all over the world. Never a recorded call, always live, active and in real-time. The reaction from the children is phenomenal. Santa knows their birthday, their pets names, where they will be spending Christmas day, what they liked last Christmas and most important what they want this year.

He also knows if there is a behavior problem. If so, he uses positive reinforcement to help the parent.

[SantaSpeaks.com](#) calls have helped classroom and corporate parties. Even helped with an engagement proposal. Also, it has helped find a new cell phone under the Christmas tree. The possibilities are unlimited.

Book a phone call, gather family and friends, turn the speaker up and get ready for a memorable happening.

Adults as well as kids enjoy the Live, Personalized phone calls. One parent wrote back saying "There wasn't a dry eye in the room. After the call everyone was so thrilled."
