“

It's not about JUST BEING online, it's about being FOUND online by your NEW prospects... if you JUST build a WEBSITENo One Will Come! It has to be marketed online!”

Andy Alagappan

a typical [inbound marketing](#) agency because instead, they operate under a non-binding contract means businesses can start or stop the services with a 30 day notice.

An inbound marketing strategy like PPC and SEO is an internet marketing strategy used to help invite more traffic to their website. With competitive service industries, the most successful businesses ranking high on the most popular search engines like Google. Leads to new inbound inquiries and leads. Online Advertising is one of the most effective forms of PPC campaigns. Sometimes, it is even more successful than other strategies like content writing and SEO. SEOGuruHouston.com takes pride in providing services that speak for themselves, and all current businesses can and will attest to this. They do a fantastic job of keeping clients organized

and deliver very detailed campaign analytics reports.

“Andy has built a few websites for me over the years, and I keep coming back because of the quality and his ability to get results. He has handled the PPC campaigns and SEO for all of my sites and has got me on the front page of google every time. His expertise and strategies have been invaluable over the last 8 years. Our website is the bedrock of our marketing campaign and is a great source of customer acquisition thanks to the SEO Guru. ‘ Luke W
