

# The Orchards Healthcare Center Commemorates its One-year Anniversary with a Ribbon Cutting Celebration

RANCHO MISSION VIEJO, CALIFORNIA, UNITED STATES, November 24, 2021 /EINPresswire.com/ -- Opening its doors in November of 2020, The [Orchards Healthcare Center](#) could not have an official grand opening ribbon-cutting at that point, citing the pandemic as the cause. The Orchards Healthcare Center is a 129-unit campus comprised of 58 assisted living, 49 skilled nursing, and 20 memory care residences located in Rancho Mission Viejo, Calif.

The pandemic did not slow the dedication to providing senior living options in assisted living, memory care, and 24-hour skilled nursing. "We have been honored to have met and cared for these individuals and their families. They have become part of our community and our family. We cherish every person and family member served," said Kelly Conk, The Orchards Healthcare Center Administrator.

It was only fitting for a celebration when the pandemic began to wane. Recently, The Orchards Healthcare Center hosted a private event celebrating their first anniversary and the grand opening ribbon cutting.

Attendees included leadership, staff, residents, families, and community leaders from the area. Guests were seated in front of The Orchards Healthcare Center and enjoyed fine hors d' oeuvres, drinks, and desserts.

Managing Partner Troy Bourne with Chief Operating Officer Darolyn Jorgensen, The Orchards Healthcenter Administrator Kelly Conk, Reata Glen Executive Director Suzanne Nasraty, and Rancho Mission Viejo Chairman Tony Moiso.

San Juan Capistrano City Council member and Partner at The Orchards Healthcare Center Troy Bourne said, "The team at The Orchards Healthcare Center has much to celebrate today. We [The city council] are uniquely fortunate. We are a part of a business that, in a meaningful way, blesses people's lives. There's a saying, 'we get the opportunity to do well while we're doing good,' and here at The Orchards Healthcare Center, we do both beautifully."

Tony Moiso, is Chairman of Rancho Mission Viejo, said his wife is a resident at the health center and is very pleased with her care there. He said, in part, "We have had the opportunity to see first-hand how well they care for their residents – their care is as good as it gets."

Moiso concluded by saying, "The Orchards has proven to be a valuable addition to our overall community here in Rancho Mission Viejo."
