

# Automotive Active Grille Shutter (AGS) Market Opportunity Analysis and Industry Forecast, 2019–2026

*The active grill shutter improves fuel efficiency by reduction of aerodynamic drag, thereby, leading to reduced CO2 emissions.*

PORTLAND, OR, UNITED STATES, November 24, 2021 /EINPresswire.com/ -- Automotive Active Grille Shutter (AGS) Market Outlook: 2026

Active grille shutter is an advanced mechatronic system, which has automatic opening and closing shutters based on real-time needs that allows or restrict airflow. The active grill shutter improves fuel efficiency by reduction of aerodynamic drag, thereby, leading to reduced CO2 emissions. The automotive industry is adopting technologies, which lead to improvement in fuel economy and reduction in harmful emissions. Due to increase in demand for better fuel economy and reduction in CO2 emissions, Active Grille Shutter (AGS) has been considered as an option to increase fuel economy by reducing vehicle drag resistance. This has positively impacted the Automotive Active Grille Shutter (AGS) Market

Download Report (350 Pages PDF with Insights, Charts, Tables, Figures) at <https://www.alliedmarketresearch.com/request-sample/5590>

Major Market Players:

- Rochling Automotive
- Techniplas LLC.,
- Brose Fahrzeugteile GmbH & Co. KG
- Magna International Inc.
- Valeo SA
- SRG Global
- HBPO GmbH
- Shape Corporation
- Coburg

The factors that drive the growth of the Automotive Active Grille Shutter (AGS) Market include rise in demand for vehicles with higher fuel-efficiency, emphasis of automakers on achieving aerodynamic vehicle body to reduce air drag, and increasing stringency of vehicle emissions. In addition, the factor that restrains the automotive active grille shutter market growth is increasing manufacturing cost due to regulatory environment.

## KEY AUTOMOTIVE ACTIVE GRILLE SHUTTER MARKET SEGMENTS

### By Vehicle Type

- Passenger Car
- LCV
- Heavy Commercial Vehicle

### By Shutter Vanes Type

- Horizontal AGS
- Vertical AGS

### By Shutter Type

- Visible AGS
- Non-Visible AGS

For the car and SUV markets, the rising fuel cost is scaring first time buyers. Earlier, the increase in price was occasional and the automotive industry used to understand its impact easily, however, nowadays the surge in prices occurs more often, thus the impact is difficult to interpret. Over the past one year, fuel prices have been inching upward and has significantly impacted the total cost of ownership of vehicles, which is an important factor that is considered by the consumers. Hence, it can be concluded that there is rise in demand for vehicles with higher fuel-efficiency.

The automotive active grille shutter market is segmented on the basis of vehicle type, shutter vanes type, shutter type, and region. Based on vehicle type, its segmentation is done into passenger car, LCV, and HCV. By shutter vanes type, it is categorized into horizontal AGS and vertical AGS. By shutter type, it is bifurcated into visible AGS and non-visible AGS. By region, it is analyzed for Asia-Pacific, Europe, North America, and LAMEA.

## KEY BENEFITS FOR STAKEHOLDERS

- This study comprises analytical depiction of the Automotive Active Grille Shutter (AGS) Market with current trends and future estimations to depict the imminent investment pockets.
- The overall market potential is determined to understand the profitable trends to gain a stronger foothold in Automotive Active Grille Shutter (AGS) Industry.
- The report presents information related to key drivers, restraints, and opportunities with a detailed impact analysis.
- The Automotive Active Grille Shutter (AGS) Market is quantitatively analyzed from 2019 to 2026 to benchmark the financial competency.
- Porter's five forces analysis illustrates the potency of the buyers and suppliers in the industry.

#### About Allied Market Research

Allied Market Research (AMR) is a full-service market research and business-consulting wing of Allied Analytics LLP, based in Portland, Oregon. AMR provides global enterprises as well as medium and small businesses with unmatched quality of "Market Research Reports" and "Business Intelligence Solutions." AMR has a targeted view to provide business insights and consulting to assist its clients to make strategic business decisions and achieve sustainable growth in their respective market domain.

AMR introduces its online premium subscription-based library Avenue, designed specifically to offer cost-effective, one-stop solution for enterprises, investors, and universities. With Avenue, subscribers can avail an entire repository of reports on more than 2,000 niche industries and more than 12,000 company profiles. Moreover, users can get an online access to quantitative and qualitative data in PDF and Excel formats along with analyst support, customization, and updated versions of reports.
