“It has really been a long and hard struggle making Combatio independently while working against so many odds. The film took more than five years to get completed and in the past some test trailers were also released, However the rest of the filming and the extensive post production work only got completed this year. It is exciting to see the success of the 2021 trailers and I can assure all the fans that they will not have to wait much longer now and will finally be able to watch Combatio soon,” said Shahzel Syed writer, producer, and director of 'Combatio'.

Combatio is the first-of-its-kind properly made action movie from Pakistan to enjoy such global appeal, as Shahzel Syed reveals plans to premiere the project internationally and in Pakistan soon as cinemas resume worldwide after a long break due to the Covid crisis. Described by

movie fans and critics as a “Masterpiece of Action cinema,” *Combativo* is the first properly choreographed true action movie produced in Pakistan and is deservedly stirring a craze among lovers of action movies worldwide.

“ The movie is a great Entertainment package for the International audience as movie viewers will watch impressive and intense Action sequences and realistic martial arts fight scenes in *COMBATIVO*. As an independent production made with a limited budget our movie’s CGI and VFX work has been applauded. A glimpse of that can be seen in the latest trailer of our action movie,” said Shahzel Syed.

The film features an amazing crew, with the music composed by Hollywood music composer, Aaron Latina and produced under the banner of ‘Shah Productions,’ a film production company launched and headed by actor, Shahzel Syed. He also stars as the lead action hero in the movie, playing the role of Ahmad Ali, an Ex Commando who wages a war against a ruthless nexus of crime and terror.

Other A-list names on the project are Shabbir Shah, Bashir Raja, Saleem Shah, Bushra Dost Baloch and Shoukat Shehzad.

The film shows the world the ingenuity of Shahzel Syed as an actor, writer, producer and director. He has attended world-renowned international film festivals like Berlinale and Cannes for the last six years at his own expense, introducing his ambitious movie projects and also representing Pakistan unofficially at these prestigious global events.

Combativo is poised to become a new action movie franchise and the film’s publicity waxes stronger, with plans for an international release, including an English dubbed version in the western countries.
