

Stepping Stones

The novel is an insightful exploration of what happens when women break away from social conventions -- rocking the boat, so to speak.

GUADALAJARA,, JA, MEXICO, November 24, 2021 /EINPresswire.com/ -- Phyllis Dubetsky's journalism and print media background shines through in her debut novel *Stepping Stones* under Page Publishing. The narrative revolves around the wealthy widow, Gladys Fletcher as she becomes a rolling stone when she gives in to a spur-of-the-moment decision to desert her comfortable life in Florida and move to a remote island in the British West Indies.

In a world where nothing is set in stone, Dubetsky offers what it means to follow one's heart and search for one's personal paradise. The novel is an insightful exploration of what happens when women break away from social conventions -- rocking the boat, so to speak. The book is a paean to women empowerment: the main character is an elderly woman in a foreign land who managed to find success in a male-dominated artform and in the process empowering the community around her. Aside from being an absolute page-turner, *Stepping Stone* is also socially relevant in today's polarizing world.

“

The book is a paean to women empowerment: the main character is an elderly woman in a foreign land who managed to find success in a male-dominated ...”

Phyllis Dubetsky

Dubetsky describes her novel as “fun, witty, and ultimately

satisfying”. One reviewer from Amazon writes: “*Stepping Stones* was a welcome surprise during this dull time of Covid. The dialogue was clever; the plot interesting and fresh. I enjoyed every word, and was disappointed when I finished. Looking forward to another novel by Phyllis Dubetsky soon!!!”. Phyllis Dubetsky has had an extensive background in journalism and print media in various editorial capacities ultimately rising to the position of editor-in-chief and publisher. She is happily retired and living in paradise. “*Stepping Stones*” is her first book.

Purchase Stepping Stones by Phyllis Dubetsky today on Amazon, Barnes & Noble and other online book retailers.
