impression on the users of the brand. It offers plethora of services of Branding, Digital art, Web Designing, Website revamping, Digital Marketing, Software Solutions, White label SEO, Content Writing, SMS and Email Marketing, Web Hosting, and professional services like Trademark Registration, FSSAI Certificate Process, and so on.

Needless to mention, in the world of digitalization business branding has become a great importance beyond anyone's thinking, as a brand represents the entire identity of your

business and speaks about your personality. This makes business branding a vital part of business as a business with strong brand naturally grabs more attention from the customers as compared to a business without a brand value.

BIG BANG as a branding agency helps the business to create, develop, maintain and improve brands with a focus on brand strategy by developing and refreshing brands. It develops an understanding of the business, clarifies the goals and objectives and communicates this in the right way to the right audience.

BIG BANG headquartered in Coimbatore was coined by Mr. Mohan Singh, the CEO with the mission of offering strategic branding service to help companies develop their unique brand identity so that they stand apart from the noise ensuring the brand's focus on the future with an outlook of what the brand wants to be and how the world will be a better place with the brand. BIG BANG with their strategic branding develop the brand identities, brand messaging and other marketing and advertising contents.

BIG BANG has a pool of skilled and talented marketers at their disposal that includes copywriters, designers, strategists, developers and others. The team at BIG BANG also consists of specialists that work specifically in the areas of SEO, ads, social media, video marketing and content planning. The futuristic work environment of BIG BANG inspires and empowers its

employees to do their best work. It eventually deepens engagement, spurs productivity and creates efficiency.

In the words of the CEO Mr. Mohan Singh “We have started our Big Bang journey with just the experience of the team and my knowledge of branding and Marketing Strategy, we still have miles to go and still lots of milestones are to be achieved and dreams to be fulfilled. It’s our founders effort and hard work in making BIG BANG a well -established and recognized branding agency trusted for the best branding solutions by many brands.”

Though BIG BANG is at the initial stage of its operation they have already acquired a huge client base for which they have created stunning brands successfully. Their unique keywords serve the purpose of attracting huge organic traffic that topped the chart of 5 number positions amongst all the competitors. This had raised the morale of the team that eventually sparked their potential impacting on the productivity and their efficiency and this difference gives a hope of going places in the near future.

Currently Big Bang is headquartered at Coimbatore and provides services to many world class brands all across the globe. Besides this, the branch office of Chennai and Bangalore are also completely functional along with the expansion of our branches overseas in Italy, USA and UAE.

BIG BANG’s story shows that passion determinations are more powerful than age and experience, seeing the young entrepreneur rising and shining. Being a client centric organization and a design thinking agency in India Big Bang have unique approaches to serve their customers by going above and beyond to make sure that the customer is always satisfied. They have risen to the top of their pack and excelled in a slightly different way such as by making communication incredibly easy, they prioritize customer feedback and even value their employees just like their customers.

Achieve truly transformative results and build your clients base with a stronger brand presence with design thinking. Transform your ideas into a brand with the spirit of doing something out of the box by coming to action.
