Companies engaged in the Milk Replacers industry:

- Manna Pro Products LLC.
- Eli-Pro Feeds LP
- Milk Products LLC.
- BBS Animal Health
- Kent Nutrition Group, Inc.
- Cargill, Incorporated
- Glanbia, Plc
- Alltech
- Archer Daniels Midland Company

Report Overview:

The study provides a detailed analysis of the market with respect to historical data, futuristic outlook of the market size and volume along with regulatory framework and development trends. Emerging trend of plant-based foods and plant-based meat products, increasing demand for fresh and frozen food products, and increasing inclination towards healthy diet and food items have been accelerating market growth. In addition, growing trend of premiumization and focus on superior quality and brand-exclusive food items have significantly influenced the food and beverages industry.

Increasing level of disposable income among individuals, growing focus on home-cooked meals, rising popularity of baking and low-calorie food items have positively impact the food & beverages industry. Paradigm shift in consumer preference and demand for healthier options have revolutionized manufacturing and production processes. Rising incorporation of advanced technologies and widespread automation in the manufacturing sector have increased output of the facilities and increased sustainability of the operations. Food & beverages industry is expected to register lucrative revenue growth over the forecast period owing to rising inclination towards resource-efficient and eco-friendly food items.
