# TopDevelopers.co announces list of efficient Ecommerce Developers for November 2021

TopDevelopers.co has released list of Efficient Ecommerce App Developers after analyzing the service providers to help service seekers with best options.

SAN FRANCISCO, CALIFORNIA, UNITED STATES OF AMERICA, November 28, 2021 /EINPresswire.com/ -- If you are a budding business and haven't gotten into ecommerce yet, it's a great time to start. In 2021, it's estimated that there are 2.4 billion digital buyers. That makes 27.6 percent of the 7.74 billion people in the world. In other words, more than one out of every four people you see around you is an online shopper.

This is the reason it becomes very important for businesses to have an ecommerce mobile app that can cater a more personalized and timely update to the individuals. The best mobile app development companies can build an app best suited to the ecommerce business, which further add to your brand value, increases reach and makes marketing easier.
