Evan Leaphart, Kiddie Kredit Founder & CEO Launching today, on Black Friday, opportunities to win are only available via the Kiddie Kredit app.

Kiddie Kredit is designed to educate youth on how the credit scoring system in the US works. Using a patent pending algorithm that creates a score from 0-100 similar to how FICO scoring models work, children and their caregivers track activities from homework to chores. On time completion and a job well done, increase the children's scores.

For the Black Santa Holiday campaign, when kids complete chores and special UWish activities in the Kiddie Kredit app, they are entered to win parent- awarded incentives AND a weekly Christmas raffle prize from Black Santa.

"UWish is excited to offer kids a chance to earn special goodies this Holiday season through our partnership with KiddieKredit," stated Jesse Byrd, UWish Creative Director. Some of the special prizes UWish is offering include apparel, music, digital books, animated cartoons, and more.
