Marine City Medical College Admission Process

The interested applicants must fulfil some criteria. The criteria are shown below:

Only 12th grade passed students or passed an examination in any foreign country which is recognized by the Government of Bangladesh can apply for MBBS admission in Marine City Medical College.

Applicants must have Physics, Chemistry, and Biology as their major/ compulsory subjects in their last education curriculum.

Applicants must have obtained at least 75% marks in average (which is equivalent to GPA 4.0) in Secondary School Certificate and Higher Secondary Certificate examinations or in equivalent examinations respectively (i.e. 'B' grade in A-level or O-level examination) and should have at least 65% marks separately in either of these examinations (i.e. GPA 3.50 or 'C' grade). In the case of O-level examination marks grades of only six subjects (top 6 subjects on the basis of marks/ grades obtained) will be considered. In the case of the A-level examination, marks/grades of Physics, Chemistry, and Biology will be considered for evaluation.

All academic certificates must be transferred to Bangladesh standard (through a collection of

Equivalence Certificates from DGHS Dhaka, Bangladesh) & Student Visa formalities through the embassy of Bangladesh.

Students must submit their qualifying certificate from his/her country.

The application should be submitted to Marine City Medical College prescribed forms.

Attested copies of certificates and mark sheets etc. have to be furnished along with the application. All certificates and mark sheets must be attested by the Ministry of Foreign Affairs of the respective country of the applicant's academic institution. No application will be accepted without such attestation.

Financial solvency documents must be submitted with the application form.

The successful applicants will be required to produce all academic certificates and mark sheets in original during their admission.
