

# Louisiana Mesothelioma Victims Center Has Endorsed Attorney Erik Karst of Karst von Oiste for A Shipyard or Marine Mechanic Worker with Mesothelioma to Ensure Compensation That Might Be Millions

NEW ORLEANS , LOUISIANA , USA, January 14, 2022 /EINPresswire.com/ -- The Louisiana Mesothelioma Victims Center says, "If you are a former shipyard or maritime worker with recently diagnosed mesothelioma anywhere in Louisiana or their family-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for a no obligation compensation analysis and insights how to get the best compensation results. Shipyard workers and maritime workers are the top of the list for most types of work groups when it comes to asbestos exposure. Asbestos exposure for these types of people was probably daily for shipyard or maritime workers as Erik Karst is always happy to discuss.

"When it comes to mesothelioma compensation the most important thing a person with this rare cancer can do is try to recall the specifics of your asbestos exposure prior to 1982 at work. Mesothelioma compensation is based on the specifics of how, where and when a person like this was exposed to asbestos. The more specific the information about their asbestos exposure-the better the potential compensation for a person with mesothelioma. For more information a person with mesothelioma in Louisiana or their family are welcome to call attorney Erik Karst anytime at 800-714-0303 anytime."
