

# The Advocate Appeals to a Navy Veteran with Recently Diagnosed Lung Cancer in Colorado to Call Attorney Erik Karst of Karst von Oiste If Before 1982 He Had Navy Asbestos Exposure-Compensation Might Exceed \$100,000

DENVER , COLORADO , USA, January 11, 2022 /EINPresswire.com/ -- The Colorado US Navy Veterans Lung Cancer Advocate says, "If your husband or dad has just been diagnosed with lung cancer and in the 1960s, or 1970s he had significant exposure to asbestos on a navy ship, submarine or at a shipyard please make it a priority to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. Financial compensation for a Navy Veteran or a person who now has lung cancer and who had asbestos exposure in the navy or at work prior to 1982 might exceed \$100,000 as Erik Karst is always happy to discuss. [www.karstvoniste.com](http://www.karstvoniste.com)

"Sadly, most people who develop lung cancer and who had heavy to extreme exposure to asbestos never get compensated because they were not aware the \$30 billion dollar-asbestos trust funds were set up for them too. If your husband or dad has just been diagnosed with lung cancer and he had substantial exposure to asbestos prior to 1982 and he has recently been diagnosed with lung cancer, please call attorney Erik Karst of Karst von Oiste at 800-714-0303. The time for a person like this to get compensated is limited so they must act quickly." [www.karstvoniste.com](http://www.karstvoniste.com)

The Colorado US Navy Veterans Lung Cancer Advocate's free services are available to people with asbestos exposure lung cancer or mesothelioma in Denver, Colorado Springs, Aurora, Fort

Collins, Lakewood, Thornton, Pueblo, Greeley or anywhere in Colorado.

High-risk work groups for exposure to asbestos in Colorado include US Navy Veterans, workers at Fort Carson, or Cheyenne Mountain, workers at one of Colorado's 12 coal fired power plants, miners, manufacturing workers, public utility workers, plumbers, electricians, auto mechanics, machinists, or construction workers. In most instances, these types of workers were exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's.

The US Navy Veterans Lung Cancer Advocate says, “If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact.”

“

Sadly, most people who develop lung cancer and who had exposure to asbestos never get compensated because they were not aware the \$30 billion dollar-asbestos trust funds were set up for them too.”
