

Setwork, The Miracle That's Helping Creatives Live Longer

British Startup Setwork creates miracle app that has transformed the lives of British filmmakers.

LONDON, UNITED KINGDOM, November 29, 2021 / EINPresswire.com/ -- [The Setwork app](#) is the miracle that is [helping filmmakers to earn more money](#). It allows them to get paid instantly for their work and also helps them maintain their schedule.

The app was officially launched in November 2019, and it has already won the attention of many filmmakers with its quick payments and scheduling functionality.

Paying people for their effort has always been a tough issue, but with [Setwork](#)'s new way of doing things, this becomes less of an issue.

Anyone who has ever worked in the film industry knows how long it can take to get paid for a job. You do all the work, send in your invoice to your client, and wait months for them to pay. But if you have Setwork in your back pocket, then waiting for payment is no problem at all!

Setwork is an easy-to-use app that pays any pro filmmakers instantly when their job is done. Paid without waiting months for invoices, this app allows creators of all kinds to charge for Amendment Requests and choose whether or not they want their work accepted by their clients. The revolution of instant payments means more time free from stress and less money wasted on unpaid work.

The Setwork app is a new way of rewarding filmmakers for their hard work. With this app,

Setwork - Hire Filmmakers On Demand

filmmakers are able to get paid instantly for their work. The more they shoot the more money they make.

This app has been curated for filmmakers specifically. The whole idea behind the creation of the app is to give back and reward filmmakers for all their hard work and not just take advantage of them. The Setwork Team was inspired to create it after 15 years of hardship within the film industry.

Setwork can also be considered as a community that was formed out of an idea that filmmakers, especially those who are just starting out, are struggling to stay afloat financially.

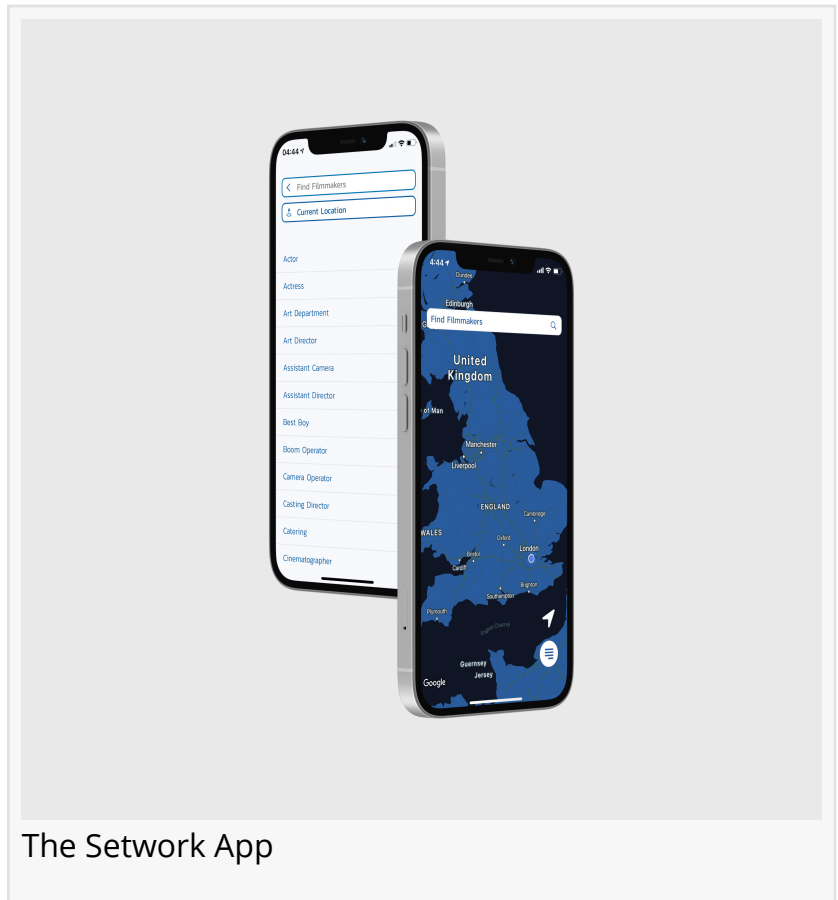

The platform provides the filmmakers with many expert services, including location scouting, casting and transport. They also offer filming equipment rentals at discounted rates and provide post-production services for video editing.

Setwork is a new app that is revolutionizing the film industry. It is making sure that filmmakers get paid instantly after job completion. This app has been a miracle for many filmmakers who are struggling to make ends meet and are not getting their due payments from production companies.

In today's world where people are struggling due to world events, it is unsurprising that there should be an app that helps them earn more money and get paid instantly. That's exactly what Setwork does for filmmakers and other creatives working in the industry.

Setwork has been dubbed as "a miracle" by many in the film industry who have found it difficult to pay their bills and earn a living because of delayed payments from production companies. The app allows creatives such as directors, cinematographers to flourish in a market which is high demand for high quality video production.
