

Iconic Fashion Illustrator Barbara Tyler Ahlfield will be presenting "Fashion Art" at Spectrum Miami

Iconic Fashion Illustrator Barbara Tyler Ahlfield presents her newest series of paintings, "Fashion Art" with ArtTour International at Spectrum Miami Booth #503

MIAMI, FLORIDA, USA, December 1, 2021 /EINPresswire.com/ -- Iconic Fashion Illustrator Barbara Tyler Ahlfield presents her newest Fashion Art paintings at [ArtTour International's](#) Booth in [Spectrum Miami](#). Collectors and art enthusiasts can view works from one of our time's best contemporary realist painters on display from December 1 - 5, 2021.

Barbara Tyler Ahlfield moved from a thriving career as a fashion illustrator to success as a fine artist, using her talent for painting women in fashionable clothing to create elegant and empowering works of art that draw from familiar forms.

Her works present a world of glamour in a style that combines her love for fashion and painting, blending classical, realistic figurative techniques with a modern fashion-inspired impressionist influence.

Ahlfield explores colors and textures and captures velvet's tactile qualities, the rich luster of satin, the feel of taffeta, and the nostalgic, crispy texture of vintage lace, taking the viewer on an indulging journey of romantic fantasy.

During Ahlfield's thriving career as a Fashion Illustrator, she worked for some top U.S. department stores, including Nordstrom, Lord & Taylor, and Hutzler's.

As lead fashion illustrator for Lord & Taylor, she saw her double-page illustrations in the Sunday

Her most recent series is also featured in her brand Sisumoi, which she established with her daughter Alexandra Ahlfield. Sisumoi is an online retailer of inspirational accessories designed to uplift and brings beauty with lifestyle products.

Barbara Tyler Ahlfield has received several honors, including the NORMA award for lingerie advertising and cosmetic advertising, the Seklemian award for reflective color advertising, the Federated Dept. Store advertising award. In 2014 she was named one of the top 50 new international artists by Art Business News magazine 2014.
