

Military Warriors Support Foundation Celebrates GivingTuesday

With 95¢ of every dollar going directly to programs.

SAN ANTONIO, TX, UNITED STATES, November 30, 2021 /EINPresswire.com/ -- This Giving Tuesday, Military Warriors Support Foundation (MWSF) will inspire generosity by providing a platform for those individuals who are passionate about supporting our nation's veterans. Military Warriors Support Foundation maintains a less than 5% Administrative Cost, meaning 95 cents of every dollar goes directly to programs.

Giving Tuesday is a global generosity movement, unleashing the power of people and organizations to transform their communities and their world. GivingTuesday will kick off the generosity season this year by inspiring people to give back on November 30, 2021, and throughout the year.

Giving back is a core value of MWSF. Whether it be giving back to Veterans, their families, or their communities, MWSF strives to find meaningful ways to honor the service and sacrifice of our nation's heroes. With all the challenges the last two years have brought our nation's veterans, MWSF is more motivated than ever to rally support around the heroes that have done so much for this country!

"Our nation's veterans have given us so much, sacrificing time with family, enduring injuries or even giving their life," says Casey Kinser, Executive Vice President of MWSF. "We are so grateful for what they have done for us, and we are determined to do everything we can to inspire people to give back to such deserving heroes."

GivingTuesday was launched in 2012 as a simple idea: to create a day that encourages people to do good. Over the past nine years, this idea has grown into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

People demonstrate generosity in many ways on GivingTuesday. Whether it's helping a neighbor or stranger out, supporting an issue or people we care about or giving to causes we care about, every act of generosity counts. GivingTuesday has raised billions of dollars for critical causes around the world and gets 21 billion impressions on social media from people and organizations speaking up for the causes that matter to them and encouraging others to get involved in their communities.

"GivingTuesday inspires people all around the world to embrace their power to drive progress around the causes they care about, not just on one day but throughout the year," said Asha Curran, GivingTuesday's CEO, and co-founder. "With country and community leaders, millions of organizations, and countless givers of all kinds, GivingTuesday is creating a shared space where we can see the radical implications of a more generous world."
