

EGO marks a milestone with more than 70 artists from over 40 countries for peace

People of all ethnicities, races, creeds and walks of life come together in the "song of the nations"

SPAIN, November 29, 2021

/EINPresswire.com/ -- EGO is more than a social and humanitarian project, it is a life purpose to improve the world.

This cultural and humanitarian project is created by TRIPLE 7 (T7) who is the creator, composer, author and musician behind the project. He has collaborated with artists from different countries to bring EGO World Music to life.

While talking to the media TRIPLE 7 (T7) was quoted as saying "Through EGO

World Music, we seek to raise awareness about equality, social diversity both ethnic and cultural, sexual, as well as any other type and sustainability, being music the common thread."

“

EGO is a life purpose to improve the world."

TRIPLE 7 (T7)

The EGO project released the first single on November 25, 2020 with "WE ARE ONE". In March 2021 the second single "REDEMPTION" was released, on September 21, 2021 (the international day of peace) "HUMANITY" was released and on November 18 "HUMANITY MERRY CHRISTMAS" and it's Spanish version was released!

The verses have featured the famous phrases of the most relevant thinkers throughout history such as Cicero, Beethoven, Marie Curie, Calderon de la Barca, Voltaire, Nietzsche and Henry Ward Beecher, among others.

It took four months to record and produce with a single message: "May that which unites us be stronger than that which separates us". Now presents the Christmas version in English and Spanish with a beautiful video clip.

The "social chorus" at the end of the song is sung by 32 singers from 32 countries empowering the new generations for Peace and Unity....

As curiosities, the theme has foundations in numerology and ends with binaural waves Theta (mental activity and positive thoughts).
