

FOURTH STELLAR REVIEW FOR THE ASHLEY ADDISON MYSTERIES

Reedsy Discovery recommends REAL ESTATE, DATING, AND DEATH to all mystery readers.

NEW YORK, NEW YORK, UNITED STATES, December 1, 2021 /EINPresswire.com/ -- Ms. Addison's second novel in the Vivianne Murphy Mystery Series, Real Estate, Dating, and Death, receives another spectacular review from Reedsy Discovery.

Reedsy Discovery states Real Estate, Dating, and Death's readers will 'laugh out loud' and be intrigued by the mystery that develops in this second, engaging novel in the series. Calling the dialogue between the main characters 'sparkling banter' and 'comedic gold', the reviewer claimed to be in stitches reading the story.

The reviewer goes further to say the mystery will also shock and surprise readers by what unfolds in this second novel. With a plot line that includes a dead bride in the brokerage, a homeless family living in a vacant real estate listing, to a burgeoning romance with a millionaire client and questionable dalliances, the twists and turns will not disappoint the reader.

Reedsy Discovery concludes this review by stating readers will say 'I didn't see that coming' at the final turn of events. Reedsy Discovery recommends Real Estate, Dating, and Death to readers of mysteries, those who love a character driven story, as well as readers who have an interest in stories about a sleuth involved in real estate.
