

Avere Beauty's Laser Hair Removal for Men Now Available at its Murrysville Med Spa

An industry leader in anti-aging treatments and beauty services is now offering a unique service for men.

PITTSBURGH, PENNSYLVANIA, UNITED STATES, November 30, 2021 /EINPresswire.com/ -- Representatives with [Avere Beauty](#) today announced that it is now offering [laser hair removal](#) for men at its Murrysville Med Spa.

"Now, men can remove any and all unwanted hair, quickly and easily," said Avere Beauty Business Director Frank Udavcak.

Located just a few meters off Route 22 at the Cozy Inn cutoff [at 5100 Old William Penn Highway STE 3, Murrysville, PA 15632](#), the office features a massive waiting area for men to unwind before entering.

Laser hair removal, according to Udavcak, involve the use of laser light technology. These lasers emit pulses of light energy into the skin to target the root and hair follicles. Once the root and follicle are destroyed, hair can no longer grow, and the result is permanent hair reduction.

Common areas for laser hair removal for men include:

- Chest
- Back
- Stomach
- Neck
- Groin

- Backside

- Between the eyebrows

And more.

"We invite all men who want to remove unwanted hair to contact us today (<https://www.averbeauty.com/contact>)," Udavcak said.
