“The seamless integration of the Xicato solutions, as well as with key technology partners, offers a complete single source solution for our customers that is unparalleled,” said Vikas Kapila, General Manager at Luxtron Systems. “We believe this partnership will grow rapidly as Xicato will no doubt continue to innovate and set standards for the lighting industry that other manufacturers can only strive towards. Adding Xicato to our range strengthens our portfolio as well as presence in the region.”

“

The seamless integration of the Xicato solutions, as well as with key technology partners, offers a complete single source solution for our customers that is unparalleled.”

Vikas, Kapila, General Manager at Luxtron Systems

Luxtron Systems is headquartered in Dubai, the epicenter of many famous modern architectural landmarks in the Middle East and home to the world's tallest building and

largest shopping mall. Luxtron Systems is focused on providing expertise in innovative and highly efficient lighting solutions, for luminaire design to their clientele.

Some of the key recent projects they have been involved in:

- BOOM Properties, Abu Dhabi
- ADCB Bank, Dubai
- The Scientific Centre, Kuwait
- City Centre, Oman
- 2020 Expo Pavilions, Dubai – United Kingdom and Thailand Pavilion
- National Revenue Board, Bahrain
- BwC office, Dubai
- Early Childhood Authority, Abu Dhabi

“We are excited to now have a solid presence with Luxtron Systems as our partner in this thriving region of the

world that has generated some of the most daring and groundbreaking engineering and architectural achievements to date,” said Amir Zoufonoun, Xicato’s CEO. “We welcome the opportunity to showcase Xicato’s innovative lighting and controls solutions hand in hand with the future projects designed to impress and wow residents and visitors alike in the Middle East.”
