

# PIKOM CROWDFUNDING SUPPORTS GETEMPLOYED.TODAY TO GIVE UNEMPLOYED MALAYSIANS A NEW HOPE

*Help The Jobless & Retrenched Your Donation Gives Them A New Beginning*

KUALA LUMPUR, WP, MALAYSIA, December 2, 2021 /EINPresswire.com/ -- We are today proud to announce that we have been selected as 1 of the 5 impact projects to be included in PIKOM's [Crowdfunding](#) Campaign in partnership with The Incitement Platform. This will raise awareness and funds for our GetEmployed.Today, a nationwide impact project, to help the jobless and retrenched, said Dr. Wemel Cumavoo, Co-Founder and CEO of LTT Global Communications Sdn. Bhd.

Dr. Wemel invites all to come together to help support this important mission. This project reinvents learning through a structured Employment Readiness Program and is positioned to quickly

get people who have lost their jobs or lost their businesses during the pandemic back on their feet. Just training alone is not enough. Many have lost their self-confidence, self-esteem, and social skills too. Our Employment Readiness Program covers all of the above and helps one to Learn, Earn & Grow.

Upskilling, keep on upskilling, you will be in demand forever”

Help The Jobless & Retrenched, Your Donation Gives Them A New Beginning

As of August 2021, there were over 764,900 Unemployed Malaysians. It's estimated that many more million Malaysians will become Unemployed over the next 6 months if nothing is done to help Malaysian MSMEs'.

What we are witnessing now when distributing food and groceries are unimaginable sufferings of our Unemployed Malaysians firsthand. Many had difficulty finding work amid pandemic-related shutdowns and, as a result, struggled to feed their families. We saw people without jobs, people living on the street, and anyone else in need and at risk of starvation. Their gratitude was expressed not in words but in tears that spoke a thousand words, he added.

## About GetEmployed.Today Learning Platform

GetEmployed.Today a world-class fully-online structured program provides participants access to LTT Global's world-class learning platform to pick up the mandatory in-demand skills that come with the Certificate of Achievement from Asia Pacific University of Technology and Innovation (APU) and other global certifications. After the two to six weeks of mandatory training, they may apply for jobs, start something on their own, or do freelance with the skills they have picked up. The program is complemented with counseling, career guidance, coaching, and direct links to hiring with the support of our esteemed partners who have come on board with a shared vision to impact the lives of unemployed Malaysians and help them reset their lives. LTT Global will be giving Malaysia's unemployed the Digital Skills to earn. And they do not need to pay for this.

Based on the ILO study, LTT Global's GetEmployed.Today's impact project reinvents learning through a structured Employment Readiness Program and is positioned to quickly get people who have lost their jobs or lost their businesses during the pandemic back on their feet. Just training alone is not enough. Many have lost their self-confidence, self-esteem, social skills and need special attention and counseling too. Their Employment Readiness Program helps one to Learn, Earn & Grow. Other features that enhance skills in this program include Mastery Classes and Webinars that are conducted by Universities, Corporates, and Expert Individuals.

More details on GetEmployed.Today and how it can assist the unemployed to obtain a new lease life with the help of the project partners and sponsors are available on <https://getemployed.edu4u.today>.
