

# Leafline Medical Cannabis Looks forward to Offering Gummies & Chews in Minnesota

*Commissioner Jan Malcolm passes gummies and chews for patients*

ST. PAUL, MN, UNITED STATES, December 1, 2021 /EINPresswire.com/ -- [LeafLine](#) Labs, Minnesota's premium [medical cannabis](#) company, will be adding edibles and chews to their product line up in August.

The Minnesota Department of Health announced the addition of Edibles and Chews as a form of medical cannabis medicine. This comes following the passing of smokeable flower last Spring, scheduled to be implemented March 2022.

Cannabis Flower at Leafline's Cultivation Facility

Leafline has been innovating in recent months, launching Mango Passionfruit and Rootbeer 5mg THC lozenges and Heather Capsules, a 1:1 ratio of THC to CBD to deliver on patients needs. The addition of smokeable flower, edibles, and chews will allow the company to continue innovating and meeting Minnesotans' needs.

“

Our patients have been requesting easier-to-consume medicine forms, and edibles and chews certainly deliver on this while providing a safe and reliable experience.”

*Sarah Odde Lynch, Chief Revenue Officer*
