

Rick Simpson Oil (RSO) Arrives to Canada

TORONTO, CANADA, December 2, 2021 /EINPresswire.com/ -- The Rick Simpson Official Website (www.BuyRickSimpsonOil.com), which is headquartered in California, is pleased to announce their lab tested, A-grade formula of Rick Simpson Oil (RSO) is now available to Canadian consumers. The latest research looks at cells related to lung, skin, breast, prostate, ovarian, colorectal, squamous cell skin, brain, Leukemia, and other cancers more closely. Researchers are trying to understand RSO's potential ability to shrink tumors, and how it is able to prevent cancer cells from metastasizing. Other research studies how certain cannabinoids are better for certain types of cancer than others: <https://www.cancer.gov/about-cancer/treatment/cam/hp/cannabis-pdq>
