Bruce K. Lee Scholarship (Chicago)

In today's world, a college education has become increasingly expensive, yet necessary to succeed, especially in the workplace. Created with students in mind, the Bruce K. Lee Scholarship was designed to help students bridge that gap, jumpstart their college careers, and achieve their educational dreams. To be considered for the scholarship, applicants are required to answer a short essay question which can be found on the scholarship's website. A review committee will then select 10 winners at the end of November 2022, all of which will be awarded \$1,000 each.

"I launched this scholarship program to help ensure that young people continue to have the support they need to pursue outstanding opportunities in higher education," says Bruce. "This mission is personal to me: As an immigrant to the United States, my father didn't have access to funds to attend school. It's my sincere hope that the Bruce K. Lee Scholarship helps college-bound students reach, and achieve, their educational aspirations."
