“

I aim to capture boxing history and the will and determination....I capture in detail a scene from the fight where you can feel the raw intensity and pressure being applied”

Paul Smith

Paul Smith, an internationally renowned artist, based in London, England, has earned the admiration of critics and collectors alike since he began his career at the age of 18. He is regarded as one of London's most exciting contemporary artists and one of the most popular British artists specializing in painting boxing and sporting action scenes.

Paul brings a distinctive artistic style, using Gouache as his chosen medium. He captures in his paintings the boxer's movement, raw intensity, and atmosphere of the fight. His subtle brushstrokes and lightly layering bring attention to detail, realism, and an accurate depiction. His works

capture the intensity and energy of both boxers and the atmospheric representation of the

boxing arena and crowds surrounding the ring. As a result, Paul's boxing art is highly sought after and commissioned worldwide.

Arttour International Magazine announced its participation at Spectrum Miami Art Fair with a display of an exclusive selection of contemporary artists from around the world and a projection of the Arttour International TV Shows and Digital Exhibition at Booth #503.
