We are regularly tracking the direct effect of COVID-19 on the market, along with the indirect influence of associated industries. These observations will be integrated into the report.'

The significant expansion in the BFSI sector represents one of the primary factors driving the bancassurance market in the GCC countries. Additionally, the regional governments are providing favorable regulations and frameworks for bancassurance activities in the region. This is further supported by the rising number of strategic collaborations and partnerships between insurance firms and regional and international banks. These partnerships aid the organizations in expanding their bancassurance services and presence in the local market.
