

Award-Winning Marketing Agency Takes Local Startup Business to Industry Giant Status in Just 12 Months

On a mission to help business owners scale their businesses to unprecedented heights, The Social Scalers have helped their client achieve 6 figures in sales.

BIRMINGHAM, UNITED KINGDOM, December 3, 2021 /EINPresswire.com/ -- Award-winning marketing agency [The Social Scalers](#) is pleased to announce the phenomenal success of one of its clients, a local startup which in the space of twelve months has become an industry leader while turning over six figures in sales. The client in question has also been awarded Trustpilot's status as [#1 in their niche](#), with over 2,000 five-star reviews.

"We are tremendously proud of what we have achieved for this client," says The Social Scalers' founder, Jay Wells. "But we're also well on track to get similar results for several other clients, so this certainly isn't a one-off. It's also no accident. A great deal of strategic planning and powerful marketing are put to play here."

The Social Scalers use revenue driven marketing strategies to help businesses gain more leads and more sales. The agency's team of in-house Facebook, Instagram, Google, YouTube and Snapchat experts can help businesses increase their revenue in a matter of weeks. Founded just three years ago, the agency is becoming increasingly well-known for its success stories, some of which can be viewed on the testimonials shown on the website.

Wells attributes The Social Scalers' success to his team's creativity.

"We think of strategies outside the mundane and focus on revenue driven results to allow our clients to work on their business rather than in it. They get to kick their feet up and grab a cocktail while we take care of the hard work. Our values are quite simple: remove the corporate

smokescreen and allow relationships to thrive filter-free!”
