

OUT NOW: NEW FAST-PACED EPIC FANTASY ROMANCE PACKED WITH LOTS OF ACTION AND ADVENTURE

IMMORTAL SOULS by Phoenix Vieira

UNITED STATES, December 8, 2021 /EINPresswire.com/ -- A fallen Empire. A forbidden royal romance. An ancient treaty with the Fae.

Corvus, heir to the most powerful House, is a threat to the Emperor, despite being the dearest friend of Crown Princess Saphyr. When the Emperor forbids their friendship, Corvus forms an Alliance to overthrow him, until betrayal forces Corvus into exile.

[IMMORTAL SOULS](#) by [Phoenix Vieira](#), the first book in a new fantasy series geared for Young Adults, blends unexpected mythology and faerie lore, romance and court intrigue into a perfect story that will remind readers of Sarah J. Maas, Rick Riordan and Holly Black.

In the book, the Fallen have lurked in the shadows since the beginning of time, and humans have forgotten about their existence. A terrible mistake. Forgotten and diminished to nothing more than fairytales, these mythical creatures have been pulling the strings from the depths of the ocean and the Dark Forest in the clueless human realm.

Enter a world filled with deceitful sirens, scheming dryads and honest selkies bound by an ancient treaty. A world where these beings known as the hidden people, the good folk, or the fae, are not what they seem.

After the lethal Queen of the Sirens emerges from the secret realm of Sirenibus, Corvus is tempted by an irresistible deal at a dangerous price. Caught up in a conspiracy and a war between light and darkness, can he and Saphyr save the people from a terrible destiny and restore the Empire to its former glory? Or will Corvus have to sacrifice more than he is willing to give? Will his life be enough, or will it also demand his soul?
