

# 301 Digital Media Expands Partnership with Real Estate Software Company UNLOCKDBOX

*UNLOCKBOX app connects real estate agents for networking and money-making referrals so agents can be in two places at once*

MARYVILLE, TN, US, December 8, 2021

/EINPresswire.com/ -- Los Angeles --

301 Digital Media today announces the expansion of their digital marketing and media agency of record relationship with Los Angeles, California-based real estate software company [UNLOCKDBOX](#).

Helmed by real estate agent Rachel White, UNLOCKDBOX is a free mobile app that allows licensed real estate agents to connect and network with one another, while also allowing agents to instantly send out requests to have properties unlocked or an open house held for their listings. “UNLOCKDBOX was born out of a need to help manage both busy and slower schedules, and in doing so, helps to level the playing field in the real estate industry for greater long-term and sustainable success for agents of all backgrounds and abilities,” said White. “The app was envisioned as a productivity tool that supports new and experienced real estate agents by providing ‘side hustle’ income opportunities or a second set of hands when needed.”

Supporting the partnership for 301 Digital Media is Angela Bisig, the company’s senior manager, [marketing and](#)

[analytics](#) who, prior to joining 301 Digital Media, served in various marketing and social media roles for the residential and commercial real estate industries. “Coming from the real estate industry, I’m excited to bring my passion for the business to such an innovative and unique B2B offering,” said Bisig.

Mirroring the unique nature of the real estate industry, the UNLOCKDBOX app supports independent real estate agents as well as those working for larger brokers with hundreds of licensed real estate professionals. UNLOCKDBOX even has the ability to provide brokerage firms with a private code that can help keep all their networking/referrals within the agency.

The free UNLOCKDBOX app download is available for both iPhone and Android devices from the App Store and the Google Play Store, respectively, and is established for real estate agents in the Los Angeles area, with plans to expand nationwide in 2022.
