Located on Sunset Boulevard, MindStir Media has set itself apart from other hybrid publishers and self-publishing companies by helping unknown authors get the attention

of celebrities. For instance, MindStir can help an author get a foreword written by Shark Tank's Kevin Harrington or Ernest Hemingway's granddaughter, Mariel Hemingway. Attaching a

celebrity to a project by a new author can instantly catapult the author and his book to the top.

MindStir also offers a 3-month publicity campaign that guarantees incredible exposure such as placements on NBC, CBS and FOX affiliate websites and more. Kevin Harrington recommended MindStir Media as a publisher that can help take a book to the next level.
