

Carol Levin Exhibits Artwork at Spectrum Miami Art Fair

Carol Levin's works showcasing at the ArtTour International Magazine's Booth 503 of Spectrum Miami are causing quite an impact.

MIAMI, FLORIDA, USA, December 4, 2021 /EINPresswire.com/ -- The art world comes to Miami this week, and [Spectrum Miami](#) shines a light on the most relevant art in the world, with both international and local artists gracing its gallery walls. Spectrum features Carol Levin from the US, with her mesmerizing artworks at the [ArtTour International](#) Magazine's Booth, and the public is enjoying a feast to the eyes. Her works are causing a significant impact.

Carol Levin has exhibited her artwork all over, from London to New York City, and now she's exhibiting at Spectrum Miami Art Fair, bringing all of her talents under one roof.

Carol Levin is photographing various single images, and her goal is to capture and recreate these images by fusing them graphically and presenting them in a new light. The inspiration and challenge always are to observe and photograph objects, people, and places, reconstruct them, and create a unique piece of art for others to enjoy.

“

Art has always in one way or another been my way of communicating with the world.”

Carol Levin
