Lost for 125 years, Nellie Bly's serial novel ALTA LYNN, M.D. - THE ROMANCE OF TWO GIRLS WHO MARRIED FOR FUN, is now available on audio

CHICAGO, IL, USA, December 7, 2021 /EINPresswire.com/ -- The Lost Novels of Nellie Bly - Pioneering undercover journalist and feminist Nellie Bly is famous for exposing society's ills through feats of "stunt" journalism. What no one knows is that the author of Ten Days In A Mad-House was also a novelist. This is because, of the twelve works of fiction Bly wrote between 1889 and 1895, eleven have been missing—until now. Newly discovered by author David Blixt (What Girls Are Good For), Nellie Bly's lost novels are now available in print, ebook, and now, audiobook.

The second of the lost novels to be produced in audiobook format is Alta Lynn, M.D. Originally published serially in 1891, this novel was inspired by Nellie Bly's New York World story on women medical students. The plot is as follows:

Alta Lynn and her best friend, Pet Darlington, are riding one day with two young men when, on a lark, they agree to hold a mock wedding. Only afterward do the ladies find the marriages are legal and binding.

That summer, while vacationing with the Osbornes, she finds herself face to face with her husband. Worse, a blackmailer is threatening the Osbornes over a dreadful secret that would ruin their daughter.
