NEW YORK, NEW YORK, UNITED STATES, December 14, 2021 /EINPresswire.com/ -- 212Quest, the travel company that combines tours with treasure hunts, is delighted to announce the Dallas to New Orleans travel quest adventure for wanderlusts.

"Thinking of a trip from the lone star state to the French quarter? The 212Quest Dallas to New Orleans 12-day quest is the travel adventure for you," said Avi.

On this travel quest, participants will visit many historic landmarks, museums and see the behind-the-scenes tram tour of the Johnson Space Center. They will also participate in treasure hunt games that test and broaden their travel knowledge as well as make their trip worthwhile.

212Quest travel quests are more than travel experiences. 212Quest also incorporates challenging but entertaining treasure hunt games where participants solve riddles, find clues, have genuine interactions with locals, and know more about the destinations they are visiting.

"Participants from previous quests had lots of fun, and we are certain that we can do the same for the Dallas to New Orleans trip. We will also be following strict COVID-19 prevention measures and protocols to ensure participants have a safe and fun travel experience."

Apart from the fun travel experience and treasure hunt games, participants also stand a chance of getting a 100%, 50%, or 25% refund of their participatory fees when they win the quest's first place, second place, and third place positions.
