

# Request for Proposals, Rothrock State Forest Trail Construction

CAMP HILL, PENNSYLVANIA, UNITED STATES, December 6, 2021 /EINPresswire.com/ -- The [Pennsylvania Parks and Forests Foundation](#) (PPFF) announced a [request for proposals](#) for a trail construction project in Rothrock State Forest, Huntingdon County, Pennsylvania.

This invitation for proposal is for a contractor to provide all labor, equipment, supplies and materials necessary for the completion of the Rothrock State Forest Trail Construction Phase 1: Musser Gap Trails project of approximately 7.3 miles of natural surface trail.

Developed through recommendations made in a forest-wide trail assessment, the purpose of the Musser Gap Trails construction project is to decrease trail density and visitor crowding in order to create a more manageable, sustainable trail system.

Qualified candidates will include reference information for a minimum of three similar trail constructions projects as well as a proposed construction schedule and approach. The expected project completion date is December 15, 2022.

The deadline for proposal submission is 4pm EST Friday, December 17, 2021. For the full [RFP](#), design details and trail specifications, visit: <https://paparksandforests.org/friends-groups/friends-of-rothrock-musser-trail-development/>.
