

MAC Group and Saramonic Introduce the SoundBird V6

Designed to deliver superb, mix-ready audio recordings of the highest caliber for a variety of professional indoor, outdoor and in-studio shooting scenarios.

WHITE PLAINS, NY, USA, December 6, 2021 /EINPresswire.com/ -- The [SoundBird V6](#) is perfect for feature and indie film productions, TV broadcast, news gathering, documentaries, weddings, foley, voice over recording and anywhere one needs a professional high-level sound recording. It features ultra-low noise circuitry, high sensitivity, and excellent off-axis rejection. It also features all-brass construction, gold-plated XLR output and includes an unrivaled accessory suite, with everything one needs and more in the box.

Saramonic SoundBird V6 Professional Phantom-Powered Shotgun Microphone

“

The SoundBird V6 is an incredibly versatile microphone that delivers top-notch sound with ease. We are so proud of this microphone, and we cannot wait for pro users to hear it for themselves.”

*Joe Nassar, Saramonic USA
Brand Manager*
