The LimoHive mobile app will be ready in 2022 and should bring a major boost to limousine and bus companies in Austin Texas suffering post covid pandemic reduction in demand for limousines, party buses, sprinter vans, SUVs, cars, and antique vehicle rental in the Austin Texas Market. In order to remain competitive, limo and bus companies

for the client, booking agent, drivers, and marketing departments and this app intends to optimize all of the variables in the booking process.

LimoHive.com will provide lead generation and seamless sales for processes for existing transportation companies. This LimoHive App will also assist the customers in aggregating all of their transportation options in seconds rather than lengthy discovery processes requiring a multitude of calling, emailing, and negotiating limo, bus, and vehicle rental rates. In addition to customer and vendor-facing use cases, this LimoHive App will also assist booking agents with transportation logistics by organizing and automating the booking and payment process.

The LimoHive App will feature many services such as brewery tours, wine tours, wedding transportation, lake Travis marina transportation, airport shuttles, birthday party buses, concert shuttles, prom limos, homecoming buses, bachelor party buses, bachelorette party buses, and even black car funeral limousines. This will also bring better transportation to a city plagued by traffic problems.
