

# ACTS Theatre Presents: A Christmas Carol

*ACTS Theatre is proud to present A Christmas Carol, a stage play adapted by Greg Oliver Bodine.*

LAKE CHARLES, LOUISIANA, UNITED STATES, December 6, 2021 /EINPresswire.com/ -- Charles Dickens' 1867 American Reading Tour is off to a rough start. Due to an inexplicable loss of his luggage, he regretfully announces that he will be unable to read from his beloved classic, A Christmas Carol. All is not lost however; Dickens delivers what he promised by performing from memory the magical story of Ebenezer Scrooge's journey from miserliness to redemption with warmth and humor. This one-man play is based on the condensed version Dickens himself used on his historic reading tours of the United States.
