BOCA RATON, FL, USA, December 8,

2021 /EINPresswire.com/ -- Essentia, the maker of the world's only natural memory foam mattress, has consistently pushed the bounds of what healthy sleep means, making it about more than just the certifications but focusing on performance sleep built to ensure the Essentia

“

Quality sleep is the cornerstone of a healthy life... we are proud to provide products that help our community achieve their goals, grow into healthier humans, and lead happier lives.”

*Jack Dell'Accio, Essentia CEO & Founder*

sleeper experiences restorative sleep on a safe sleep surface without the use of harmful chemicals found in synthetic mattresses. Essentia is on a mission to spread education and awareness for the resources and strategies that consumers can utilize to create a healthier life. The brand is excited to offer great savings on the healthiest sleep technology in the world during their Holiday Sale. Manufactured from start to finish in Essentia's GOLS and GOTS certified organic factory, this is an opportunity for people to give loved ones or themselves the gift of faster recovery, a clean environment free from toxins, and optimized sleep to help them achieve their resolutions for 2022.

“Quality sleep is the cornerstone of a healthy life,” says Jack Dell'Accio, Founder and CEO of Essentia. “The New Year is a popular time to create health-related goals, and we are proud to provide products that help our community achieve their goals, grow into healthier humans, and lead happier lives.”

All Essentia products are certified Vegan and Cruelty-Free as a part of their Beyond Organic initiative, assuring the purest possible outcome to preserve clean and healthy indoor air quality. Manufactured with durability and lifetime satisfaction in mind, every mattress purchase includes a 20-year warranty. These products and components are thoughtfully created and sourced for clean, ethical, and life-replenishing sleep.
