

AimeTalk online Webinar: the virtual presenter talks about itself

Aimesoft will hold a free online Webinar about the virtual slide presentation software AimeTalk on Dec 16, 2021 at 3:00 PM Singapore time.

SAN JOSE, CALIFORNIA, UNITED STATES, December 8, 2021

/EINPresswire.com/ -- Aimesoft, a

global leader in [Multimodal AI](#) products and solutions, will hold a free online Webinar about the virtual slide presentation software [AimeTalk](#) on Dec 16, 2021 at 3:00 PM Singapore time. The special point of the Webinar is that the virtual presenter software AimeTalk is going to participate in the Webinar as a speaker.

AimeTalk is an effective solution to help individuals and businesses to optimize operation, reduce cost, and enhance performance in the new normal."

*Ted Nguyen - Aimesoft's
Product Manager*

AimeTalk is a slideshow automation software from Aimesoft Inc. It can automatically read out the speaker notes in slides, automatically turn slide pages and automatically play the videos in slides. AimeTalk can also generate virtual presenter face animations from a single avatar face photo. AimeTalk can perform slide presentations for you in conferences, meetings, seminars, or lectures.

In the Webinar, Ted Nguyen, the Product Manager of AimeTalk, will use AimeTalk to perform a presentation on the topic "Multimodal AI-based Slideshow Automation: Virtual Presenter in the new normal". He will also help the audiences of the Webinar understand how to use AimeTalk to automate slide presentations.

After joining the webinar, you will also get a free trial of AimeTalk for your own experience.

The webinar is scheduled for Thursday, December 16th, 2021, at 3:00 p.m. Singapore Time (11:00 p.m Pacific Time on Wednesday, December 15th, 2021).

Interested parties and individuals can freely join the webinar by registering here:
